Dear Dr. McAllister:

The organizers of the 1986 Fifth International Workshop on Papillomaviruses appreciate your contribution of \$2,500 for support of the meeting. We certainly will abide by your request that the funds not be used to pay for participants from the industrial sector. Dr. Sommer's name was already on the mailing list for registration materials for the meeting.

We will definitely keep a position open for a representative from CTR. You will be informed of the final program for the workshop.

Yours truly,

Bettie M. Steinberg, Ph.D.
